

Prairie Hawks Sports Photos

by Jeffrey Wilson Photography

You've come to the right place to find a variety of images of Prairie School athletes, including team (group) photos, athlete portraits, and game action photographs. My goal is to shoot at least two games of each level of each sport (freshman, JV, varsity) in an effort to capture images of as many athletes as possible.

I don't sell photo "packages" — I'd rather have you select the exact photos you want, in the sizes that you want. You're welcome to browse the galleries and order as many or few photographs as you'd like.

Photo galleries

Click on the photos on the previous page to be directed to the Prairie galleries on my website, or go directly to my website (www.jeffreywilsonphoto.com), click on the "Sports Galleries" button, then the "Prairie Sports 2009-2010" gallery. The password for all Prairie files is "**hawks**." All photos are arranged by game, with team (group) and individual portraits in a separate folder.

Ordering photos

The fastest and easiest way to order photos is directly through my website (a credit card is needed). Select a photo and click the "buy" button at upper right to see the photo size and style options available, with the price for each. Items will go to a shopping cart; you can finalize your order when you're done browsing.

All photos are printed by a professional lab. You have several paper options: Glossy prints are on standard Kodak paper; Lustre prints are on Kodak Supra Endura paper; Matte prints are on Kodak Edge paper; and Metallic prints (which are *very* cool, with exceptionally sharp images and bright colors) are on Kodak Endura Professional Metallic paper. Your order will be shipped directly to you from the lab.

If you prefer to pay by check, you may fill out the order form (you'll find a link on the previous page) and send it to me at the address provided. You'll need to add 5.1 percent sales tax and a \$6 (per order) handling fee. All returned checks will be charged a \$30 service fee. Prices on the form are for standard glossy prints.

Digital images/Photo CDs

Individual (portrait) and game action photos are available as digital files for those of you who want to print your own photos or place them online. You can order these via the website (as a download) or directly from me (on CD). The price is \$25 per image; five or more photos on a CD are \$20 each (use the order form). Team/group photos are not available on CD. There's no handling fee for CD-only orders.

Photo options

Prints are available in many sizes, including wallet (2.5 x 3.5 inches), 4 x 6, 5 x 7, 8 x 10, and 11 x 14 prints. You can also have 8 x 10 and 11 x 14 images printed on canvas paper, either rolled (ready for you to frame) or wrapped (the canvas comes wrapped around a wooden frame, ready to hang). Wrapped images sometimes require re-cropping—e-mail me if you need help with a specific photo. Photos are also available mounted on lightweight black gatorboard (a hard foam board, tougher than foam core), ready to hang, in 11 x 14 and 16 x 20 sizes. You can also order 18 x 24-inch posters (only available via the order form).

Collages

Collages that combine multiple images can be ordered in 8 x 10, 8 x 12, and 11 x 14 sizes (see the order form for details). Action shots, portrait, and team photos can be combined. Indicate the photo numbers you wish to include on the order form or e-mail me with the information. I will prepare a proof and place it online for you to view. Collages can also be ordered on canvas wraps or on mounted prints. Keep in mind that the greater the number of photos included, the smaller each must be.

I'm happy to do other custom photos (black-and-white photos; images with borders and lettering; simulated magazine covers) as well for a nominal fee. E-mail me for specifics.

About me

I'm happy to provide sports photography for The Prairie School. My son is a student at Prairie, and through coaching and other activities I've come to know many Prairie students, teachers, coaches, and parents. I do many types of photography, but shooting sports is my favorite. I provide similar services to several area schools (including Racine Lutheran, Yorkville Elementary, and St. John's Elementary) along with club and recreational teams and tournaments. Click on the "Sports Samples" button at the top of my website to see a collection of my sports images.

Contact me at [jeffreywilsonphoto \(at\) gmail.com](mailto:jeffreywilsonphoto@gmail.com) with any questions.
