

PRAIRIE'S 2010/11 FOOD SERVICE PROGRAM

Each day students and staff are able to participate in The Prairie School's food service lunch program. A high quality, well-balanced meal is prepared and available at a reasonable cost. A trip to the salad bar is included with each meal, but may also be purchased separately. A fruit offering and a low-fat milk or juice is also part of the complete meal. The lunch program is optional for students.

Early School and Kindergarten students may select from daily lunch choices, a rotating variety of sandwich options, or a yogurt and bagel. A crisp garden salad or veggies and dip, fruit and a beverage of choice complete the meal offering available to this age group.

Additional servings are included in the purchase price of a lunch for all Early and Primary School students.

Primary (grades 1-4), Middle and Upper School students may select from daily lunch choices, a rotating variety of sandwich options, or yogurt and bagel as part of their main meal offering.

- Deli Station offers a selection of a wide variety of breads and deli items, chips and soup for a made-to-order lunch option with the Lunch Ticket.
- Self-serve Soup Station with the purchase of a lunch (using the Lunch Ticket). Soup or bagel may also be purchased separately with a Seconds/Soup Ticket.
