

MS/US Lunch Option

For the 2010/11 school year, we will again offer an annual flat fee lunch option for the MS and US students. We will still have lunch tickets available as in the past for those who only want school lunch periodically. There will be no change in how we bill for PS lunch.

How it works:

MS or US students who want the flat fee option will be issued a picture ID card that they simply show as they go through the lunch line. If you want this option, fill out the form at the bottom of this page and return it to the Business Office (or contact Cindy Conner or Liz Nass). The cost for both MS and US will be \$650/year billed one time in September or billed at \$75/month (\$675/year). Students may still purchase seconds or milk tickets should they desire additional food. **This is an annual election. There will be no refund due to student absence.**

Advantages of the flat fee option:

- No more lost or missing tickets.
- Discounted price versus purchasing tickets for everyday users.
- Students no longer need to buy tickets from the school office.

Please return the bottom portion to the school and retain the top portion for your records.

Sign me up for the flat fee lunch option.
