# Attendance

- Five minute grace period. If a student arrives up to five minutes late, they are marked tardy. Students are allowed five tardies before consequences begin. Co-curricular activities are not affected unless a student exceeds five tardies. If a student arrives after 8:35 but before morning meeting, the Head Coach is notified and the Head Coach determines the consequence, if any.
- Students who arrive after 10:00 a.m. may not participate in any co-curricular activity that day. Parental notification after the school day begins to excuse a student for being late is not acceptable. The school must know before school begins.

# Family Handbook/Academics

## Family Handbook:

- **Eligibility/Co-curricular Participation.** Although a requirement of graduation, co-curricular activities are a privilege; participation in these activities may be suspended if the student fails to meet his or her academic obligations. To practice or compete in interscholastic athletics, students must be present at school the entire day on the day in question and meet all academic obligations. The US Head may waive this rule when an absence is due to extenuating circumstances such as a family emergency or a funeral. Attendance in After School Study Hall (ASSH) supersedes participation in co--curricular activities.
- Athletes must report to detention or After School Study Hall even if it involves missing a game or practice. The coach may assign an additional penalty for missing practice.
- As stated in US Information – Daily Life – Eligibility , a student athlete must be in school in order to compete or practice unless excused by the administration. An athlete is also expected to be in school the day after an event. If a student misses school Friday, they may not be eligible for a weekend event.

# Behavior Code

- A Prairie athlete should be courteous and demonstrate respect for self, team, officials, school and community. Failure to do so may result in suspension or dismissal from the team.
- A student suspended from school is also suspended from athletic practices and competitions.
- A student is required to follow the WIAA Athletic Code of Conduct on a year-round (12 month) basis. In-season violations will result in immediate suspension of the student from interscholastic competition for no less than one day of competition (but not less than one complete game or meet) for acts involving - (a) possession and/or use of alcohol, - (b) possession and/or use of tobacco, including chewing tobacco and/or - (c) Use, possession, buying or selling of controlled substances, street drugs and performance enhancing substances (PES).
- WIAA, School & Coach Rules/Consequences

# Transportation

- The school provides transportation to most athletic events outside the city limits. Athletes should travel by school-contracted vehicles to/from away events.
  - Due to location, a parent/guardian may transport their child/legal ward home from a scheduled event. The parent/guardian shall assume all resulting liability, and The Prairie School, its Board of Trustees, Officers and Agents shall assume no liability.
  - A parent may not transport another athlete that is not their child to or from an event.
- 

# Sportsmanship

- All students and parents must comply with the sportsmanship rules of the WIAA, the Metro Classic Conference and The Prairie School.
- By electronically signing the Sports Compact with the school, the parent(s)/guardian(s) and athlete indicate to have knowledge, understanding and agreement to all standards and rules.
- *Student participation in The Prairie School athletic program is contingent of abiding by the standards and rules set forth by the WIAA, the Metro Classic Conference. I am aware that if my child violates these standards, consequences will be imposed.*

**Roles:**

***Coach***

***Athlete***

***Parent***

**Playing Time**

## **In summary:**

- Fair or not, coaches determine playing time
  - Check emotions at the door
  - Encourage your athlete to accept and excel at their role and channel emotions into hard work
  - Support your athlete and be proud!
- 

# Communicating with Coaches

- Parents may email a Coach to request general team information.
  - 24 Hour Rule: If you have concerns, please wait 24 hours after an athletic event prior to emailing the Coach.
  - Parents who wish to meet with a Coach may send a brief email request to discuss concerns. The athlete should be present at all parent/Coach meetings.
  - Practices are closed to spectators.
- 

# Social Media

- Social media is a great tool. Use it wisely.
  - Coaches should be in charge of team social media accounts .
  - Team social media accounts must be approved by the Athletic Director.
  - Colleges hire full time employees to monitor social media of recruits. Negative posts may have long lasting negative consequences.
