Dear Middle School Parents and Athletes,

Welcome to the 2017/18 Prairie Middle School Spring Athletics Season. Online registration and current Health Physical Forms are required to participate in all MS sports. If your child participated in a fall or winter sport, their Health Physical form is current.

- **Registration deadline is Thursday, March 22nd.** Late registrations may delay your child's ability to practice or play. Students are ineligible to participate until clearance is granted.
- Please read the [2017/18 Concussion Fact Sheet](#) prior to registering.
- **Please DO NOT register your child twice.** If you can't recall registering online for a spring sport and you previously created a Family Athletic Account, [login](#) to review your child's registration history.
- **If you have not set up a Family Athletic Account,** please visit the [Parent Information](#) tab of the school website for instructions.
