

Dear Parents,

The most important goal during the opening days of the new school year is to develop a sense of belonging to a learning community where each student feels known, valued, and confident. Please keep reading for important first days of school information.

Where should Middle School Students report on the first day of school, (TH) August 23?

5th and 6th graders:

On the first day of school, *all 5th and 6th graders* should report to their advisor (see names and room numbers below) for a full day of community building and fun! On the second day of school, Friday, August 24, all 5th and 6th graders should plan to follow their regular "B-day" class schedule.

7th and 8th graders:

All *7th and 8th-grade* students should plan to go to their first-period class as appears on the schedule. A variety of fun ice-breaker activities in addition to "getting the year off to an organized start" practices are planned for August 23 and 24.

How does my student get lunch tickets?

5th and 6th graders will get lunch tickets from their advisor. 7th and 8th graders will get lunch tickets from the Middle School Office. FACTS accounts will be billed.

Who is my student's advisor? What is my student's locker number?
