

CHESSED

CHESSED, with Alice Holt will once again provide an after-school enrichment program for students in Grades 1-4. Two classes will be offered: “Basics and Beyond” and “Advanced-Team and Tournament Skills.” The instructors are United States Chess Federation Certified Chess Coaches. If you are not sure which course is best for your student, an evaluation can be made before the first class.

Through chess, students learn disciplined thinking and benefit from the important life skills that chess teaches: problem solving, decision-making, coping, and patience. Chess enhances educational learning through new vocabulary, basic geometry, sportsmanship, and persistence.
