RE: MS Girls' Basketball

Dear Middle School Families;

Basketball season is just around the corner! MS girls basketball is open to all girls in grades 5 through 8. If numbers are sufficient, each grade level will have it's own team. If numbers for a specific grade are too low to field a team, girls will be invited to play with the next higher grade. Our mission is to provide students with a developmentally appropriate experience. MS girls basketball will complete in the Southshore Parochial Athletic League (SSPL). Teams may also play additional games and tournaments.
