Confirmation Policy:

The Summer on the Prairie online registration generates an email confirmation as soon as enrollment is processed. The confirmation will list the course(s) your child has been registered for and the total fees paid, as well as any additional required documents for download. Please save the email confirmation and login information for your records. You can access help with the Active website anytime at <<https://help.active.com>>.

**If a class is full, the child will be added to a "waitlist" for that class, if desired, without fee.*

Medication Note:

Summer Program personnel must have a parent/guardian consent and physician's order to administer prescription and over-the-counter medication. This permission must be in written form and on record in the school office. For all medication, the most current, appropriately labeled original container must be provided.

All medication must be maintained in the school office and administered according to label instructions and at the discretion of the Summer Program staff. If it is necessary for the student to retain possession of medication (i.e. inhalers), the procedure must be discussed with the Director of Summer Programs in advance. Please do not send any medication with your child to keep on his or her person to self-administer. This policy is for the safety of all of our students, and we appreciate your cooperation. Please direct further questions regarding medication to the Director of Summer Programs.

Online Registration and Active Support:

Our online registration and ongoing program support is managed through the Active Network. This safe and secure system allows parents to register online but to also manage schedules and student information. If you are having difficulty with the online system, we encourage you to contact an Active support team member at 1.877.228.4881.

**All classrooms/locations are subject to change.*
