

Freshman Advisory Information 2019-2020

May 2019

Dear Freshman Families:

We hope that you all are having a wonderful summer and are ready to jump into the Upper School. We sure are! We are your freshman advisors and wanted to take a moment to introduce ourselves.

We are:

- **Bernoli Baello:** Upper School AP Calc, AP Stats, Chemistry teacher
- **Izzy Buikus:** Upper/Middle School Art teacher
- **Erin Housiaux:** Upper School English teacher, English Department co-chair
- **Hannah Lane:** Upper School Spanish teacher, faculty advisor for Student Government and Spectrum
- **Jason Louttit:** Upper School Math teacher
- **Zach Nacev:** Upper/Middle School Humanities teacher, Boys' and Girls' JV Soccer coach
- **Zach Perkins:** Associate Athletic Director, Fitness Center Director, Strength and Conditioning Coach

We're really looking forward to spending the year with the freshmen and helping them to excel academically and feel at home in the Upper School.

We are excited to spend some time during the first semester honing study skills, talking through social issues that students face (responsible social media use, healthy relationships, etc.), developing stress management strategies, and building a strong community among the 9th grade class. We hope that our Freshman Advisory Program will help students new to Prairie as well as TPS Middle School graduates transition seamlessly from 8th grade to Upper School.

We look forward to seeing you all at Manito-Wish soon!
