

2019 Girls Golf Information Sheet

Head Coach: Carrie Massey 262-880-3387

Assistant Coach: Mike Vanko 262-930-6581

Practice: We will practice every day after school.

Practice time: 4:00 p.m. - 6:00 p.m.

- We will use a variety of practice facilities: Johnson Park / RCC / Meadowbrook Country Club.
- We will work in the JAC if the weather does not allow us to play outside.
- We will practice if a match is rained out. To receive real-time competition schedule updates, please subscribe to the team calendar on the Metro Class classic site (<http://www.metroclassicwi.org/>). You may also contact either a coach or the school.

Attendance: Players are expected to practice every day. Contact your coach immediately when a situation occurs.

- Any golf lessons must be done on the weekends.
- Practice will occur in the JAC if the weather is inclement (thunder or lightning).

Expense & Equipment:

- Players are expected to have their own clubs and equipment. The school will provide team bags.
- The cost of a 9 hole round of golf is \$5 - \$6
- Tokens will be purchased by TPS for the driving range.
- Players need to have the money each day to play or for snacks.
- Team golf shirts will be purchased by TPS and will be used for more than one year.
- Players should have an extra battery for their range finders in their golf bag.
- Players may need hand warmers, gloves, wind shirt as the weather significantly fluctuates with fall sports.

Dress Code:

- Players are expected to wear a collared shirt and shorts/slacks/skorts. The length of the shorts/skorts should be mid-thigh.
- Wear either black/navy blue or white shorts.
- Players should have rain gear and gloves, if possible.
- A Golf Umbrella is highly recommended.

Transportation:

- Once classes begin, Prairie Suburbans will be used to transport players to/from practice
 - Players with their own vehicle may transport only themselves.
- It is often more convenient for parents to pick up players from the golf course at the end of practice.
- The Coaches will drop off players at school at the end of practice.

Team Parent - Food and Hydration for each match.

- A designated parent will be in charge of setting up food for each golf match. Both JV & Varsity will have a Team Parent.
- Food should be healthy. Examples: Frozen red or green grapes, Cliff bars (crunchy and chewy), granola bars, etc.
- Water and Gatorade (when it is hot).

Guidelines for matches:

- Parents must stay off of the driving range, putting green, tee box, fairway and greens per the WIAA rules.
- Any last minute instructions parents want to give their players must occur before we arrive at the practice facility or golf course.
- Golf is a sport where routine is very important. Coach Massey and Coach Maki will be working with players to have a focused start to every match.
- Golf is also a sport where the physical boundaries are not solid. Please allow the coaches the space and time to prepare their teams without interruption. **Thank you** in advance for your help and cooperation.
