

## CHESS-ED

CHESS-ED., with Alice Holt, will once again provide an after-school enrichment program for students in 1st Grade through 4th Grade. Classes will be offered on **Mondays** for 1st and 2nd grade and **Tuesdays** for 3rd and 4th grade. Once again Matt Oscarson will teach the classes.

Through chess, students learn disciplined thinking and benefit from the important life skills that chess teaches: problem solving, decision-making, coping, and patience. Chess enhances educational learning through new vocabulary, basic geometry, sportsmanship, and persistence.

Chess-Ed. is dedicated to providing quality chess programs. *LEARN THE BASICS OR ADVANCE YOUR SKILLS TO NEW LEVELS OF ENJOYMENT!*
