

Upper School Math & Science Supply Lists 2020-2021

Required Calculators for all Upper School Mathematics Courses:

Students are required to have a TI-83 or TI-84 graphing calculator. Calculators with Computer Algebra Systems (e.g., TI-89, TI-Nspire, or any calculators designated with the letters CAS) are not permitted. If you are not sure whether your calculator is permitted, ask your teacher.

Additional Course-Specific Materials:

Algebra I

- Notebook
- Three-ring binder
- Scientific calculator is sufficient

AP Physics

- Notebook
- Three-ring binder
- At least 3 sheet protectors
- Calculator (calculator used in your mathematics course is fine)
- Protractor and ruler

Geometry

- Compass
- Protractor and ruler

Honors Physics

- Two-subject notebook
- Three-ring binder
- Calculator (calculator used in your mathematics course is fine)
- Protractor and ruler
- Stretchable book cover

Intermediate Algebra

- Notebook
- Three-ring binder

Please bring all supplies to school on the first day.
