

Confirmation Letter: Voluntary Summer on the Prairie Attendance

The Prairie School understands that it is the parents' voluntary decision to permit their child to resume on-site classes at the 4050 Lighthouse Drive campus. The school will implement management and control measures in accordance with relevant regulations to mitigate the risk of the spread of COVID-19. **Do keep in mind however, that managing risks doesn't mean there will be no transmission. There's no such thing as zero risk,** but we can take measures that will mitigate the chances of the spread on our school grounds. However, parents are also responsible for taking measures to mitigate the risk that their child(ren) may present a risk to their own health or the health of others when on school grounds.

1. I, _____ (parent full name), hereby certify that my child _____ (child's full name), has permission to return to The Prairie School campus and participate in all learning activities as determined and permitted by the school.
2. I agree to monitor my child's health each day and keep my child home if he/she has a fever at or above 100.3 degrees, cough, fatigue, and/or other physical symptoms that require observation, health isolation, or medical treatment.
3. I understand that the school will take my child's temperature before entering the school building, and once again before transitioning to afternoon activities. If my child has a fever of 100.3 or above, he or she will be isolated, parent/legal guardian will be contacted and the child must be picked up by a parent or legal guardian within one hour.
4. If my child is sent home he or she cannot return to school for 72 hours from the day he or she is sent home, and upon return, must be symptom-free and fever-free without medication.
5. I understand that I must have a physician's release in order for my child to return to class after any such illness.
6. I agree to accept the management and control measures taken by the school in accordance with relevant regulations to reduce the spread of COVID-19.
7. I understand that these are risk-management measures and that the school cannot guarantee safety for all students or prevent them from contracting any illness.

SUMMER ON THE PRAIRIE

AT  THE PRAIRIE SCHOOL

8. I understand that parents may not enter the building or enter school grounds but must follow the drop-off and pick up procedure as outlined by the school.

9. I certify that we have not been on a commercial airline for the past 14 days, and no one in the residence has tested positive for COVID-19.

10. I understand that as long as the school is permitted to remain open for campers, my family's tuition obligation remains unconditional whether or not my child is able to attend camp due to my child's health.

By voluntarily enrolling my child(ren) in The Prairie School's Summer Camp(s) and/or Hawks' Haven, I acknowledge and agree that I am assuming the risk of my child(ren) or myself possibly contracting COVID-19. Further, I acknowledge and agree that on my behalf and on behalf of my child(ren) I am voluntarily waiving any claim of liability against the School should my child(ren) or I contract COVID-19 as a result of participating in Summer Camps and/or Hawks' Haven. Further, I expressly agree to hold the School harmless should I and/or my child(ren) contract COVID-19 as result of our voluntary participation in the School's Summer Camps and/or Hawks' Haven. I further acknowledge and agree that should it be necessary to close Summer Camps and/or Hawks' Haven due to orders from the federal, state or local government, I will not receive a refund of fees paid for participation in the School's Summer Camps and/or Hawks' Haven.
