COVID-19 Testing Hospital/Clinic Information

Please Note: Call ahead to confirm. You typically can't walk-in and get tested. Most locations require an appointment and/or a doctor's order. Testing kits are limited in many areas.

1. Froedtert
   a. Screened over the phone first for risk factors and symptoms
   b. Upon screening, you will be asked to wear a mask and placed in an isolation room
   c. Website for nearest location: https://www.froedtert.com/locations or hotline 414-805-2000.
   d. Averaging 48 hour turnarounds, but it could vary day to day. Oak Creek on Drexel is turning around in 24 hours.
   e. You need a virtual visit for an order, if you are not a current patient.

2. Aurora
   a. Aurora Medical Center Aurora is offering drive-thru testing for community members who have at least one symptom of COVID-19. Advance registration is required online at aah.org/testing or by phone at 877-819-5034. This service is available at Aurora's Kenosha and Burlington medical centers.
   b. Locations Testing:
      ■ Aurora Medical Center Kenosha, 10400 75th St., Kenosha
      ■ Aurora Sinai Medical Center, 945 N. 12th St., Milwaukee
   c. If you are a patient, it could update as soon as 24 hours to your myChart, but if you are a drive-thru patient, it can be up to a week before receiving results.

3. Ascension
   a. Use our COVID-19 self-assessment tool as a first step to better understand possible symptoms. Take it online in just minutes or text COVID to 53901 for both English and Spanish.
   b. Wisconsin Helpline: 833-981-0711
   c. COVID-19 tests at Ascension facilities are only available following receipt of an order from a medical professional.
   d. At the drive-through testing site, patients will remain in their vehicle; accommodations will be made for individuals who don't have a car.
   e. Timeline--unknown
   f. Ascension Immediate Care on Spring Street - averaging 1-2 days turnaround.

4. Community DHS Testing
   a. https://findahealthcenter.hrsa.gov/
   b. If you haven't received results within 5 days, call the results hotline at 1-866-419-6988.

5. Kenosha Urgicare - General public can call for appointment, oral swab antigen test.
   a. 1 hour results
   b. 262- 925-0535
