

# GOLF GUIDELINES

## PRACTICE

The season starts Monday April 19th. We will try to practice every day after school at Johnson Park. There be a few times that we play at Shoop Park due to how busy Johnson Park can get during the spring. Some days we will be hitting ball on the range and/or working on our chipping and putting, while other days we will try to play nine holes. When the weather does not cooperate, we will meet in the JAC to work on our strength and flexibility, as well as hit into our indoor net. There are always days when this is a last minute call. We will encourage players to communicate with you regarding where we are practicing and what time practice will end.

## ATTENDANCE

Players are expected to be at practice every day. If there is a circumstance (Dr. appointment, family emergency, etc.) where a player cannot make practice, the player must personally contact a coach ahead of time in order to be excused. Failure to communicate an absence will constitute an unexcused absence. The first unexcused absence will receive a warning and the second will result in elimination from the team.

## EXPENSE

Players are expected to have their own clubs, balls and tees. The cost to play nine holes is between five and nine dollars. The cost for a large bucket of balls is generally five dollars. Players need to have the money each day to cover these costs. The school will try to purchase some range balls from Johnson Park, but when they run out the players will need to purchase them personally. With new management at Johnson Park, we are still negotiating prices.

## DRESS CODE

During a match, players are expected to wear a collared shirt and slacks or similar shorts. Jeans are not permitted.

## TRANSPORTATION

Due to obvious reasons, we will not be using suburbans to transport players to the course this year. In all cases, we will be meeting "on site". Participants need to provide their own transportation to and from Practices and matches. While I know this is a challenge, it is just the way it has to be at this point in time. It is a school policy that players are not to ride with other players.

## SCHEDULE

The match schedule is posted on line. This includes early dismissal times, time of the match, and where the match is being held. If we have cancellations, we will try to update the schedule as soon as possible.
