

2021/2022 Food Service Program

The Prairie School offers an optional boxed lunch program for our students. A well-balanced meal is prepared and available at a reasonable cost. Lunches must be ordered in advance, two weeks at a time, via our new online FACTS SIS system (<https://ps-wi.client.renweb.com/pwr/>). Once lunches are ordered they will be billed to your FACTS family account on a monthly basis.

Students may select from the two daily lunch choices and be billed per day. All food will be packaged in to-go containers and include pre-wrapped plastic ware, condiments, a side item (such as apples, carrots, pasta salad, or chips) and juice or milk. A larger serving is provided for the Upper School students.

Primary and Middle School (Grades 5-6) students will have their lunches delivered to the classrooms for consumption outside or within the classroom in a socially distanced manner. Upper and Middle School (Grades 7-8) students will pick up and utilize the Dining Room for their lunch period, this policy is subject to change based on current COVID-19 statistics, at which point US lunches would be delivered to the US Commons and MS to classrooms.
