

Upper School Fall Athletics Information 2022-2023

Registration

Registration for fall sports opens at 10:00AM on Monday, July 18th. Fall sports registrations are due by **5:00PM on Sunday, August 7th**. Failure to meet the deadline will delay your family's ability to receive team communication and may delay the start of your child's season. Parents may also register students for winter and spring sports now, or as each future season approaches.

All athletes and managers must register through the [Athletic Registration](#) (AR) portal, a fully-automated, secure online login system. Logins and passwords may be retrieved 24/7. Please note, it is unlawful for a student to register himself/herself and electronically sign for a parent.

- **Returning athletes and managers:** Login to AR and navigate to your Family Athletic Account (FAA), used for all students in your household. Review and update any information that has changed since the last school year.
- **New athletes and managers:** If you do not have a Family Athletic Account (FAA), you must create one using your athlete's 5-digit Student ID. Student IDs are located on the PowerSchool parent portal — navigate to the "Grades & Attendance" page and look to the right of your child's name. You may also call the US or Athletic Office for help retrieving your student's ID number. Once you have created your FAA, add each child who plans to play a sport using their 5-digit Student ID.

The following information is required to register all athletes for US sports:

- Contact information for parents/guardians and emergency/alternate contacts
- Student Prairie School email address (do not enter a parent or personal email address)
- Student cell phone number (if your child does not have a cell phone, leave this space blank)
- Medical information, including health insurance information, a list of prescription information and the date of your child's most recent physical exam (see below)

Physical Exams

All students registering for US athletics must file two current health forms before the first practice, and will be considered ineligible to participate in practice or competition until they are submitted. Please file all forms electronically on the AR portal and retain the original for your records.

1. **WIAA Medical Eligibility Form:** This form is required for all first-time athletes, students who are new to Prairie, and rising freshman. If your child is due to file a WIAA exam, [click here](#) to print the downloadable form. The physical must be dated on or after April 1, 2021 to be valid for this school year.
2. **Prairie's Health Office form:** A TPS [Health Physical Form](#) must be filed electronically on the AR portal **no later than Sunday, August 7th**. From there, the form will be shared directly with Prairie's Health Office.

Returning athletes may check the date on their existing forms on the AR portal, by clicking on "View My Account," followed by "Returning Users."
