Course Selection Guidelines

J-Term courses are designed to ensure unique, interesting, and exciting opportunities for all students. Students will be enrolled according to the following guidelines.

- J-Term courses will offer learning environments consistent with the mission and values of Prairie School.
- Enrollment will begin with students' selections and every effort will be made to place students in one of their four choices. For oversubscribed courses, a lottery system may be used.
- Enrollment will blend grade levels. Only world language-based courses are limited to students who meet the posted language-level requirement.
- Students seeking financial aid must nevertheless select at least two courses they can pay for in full.
