

MEDICATION PREPARATION FOR CAMP MANITO-WISH 2023

If your student takes prescription medication:

- 1) You need to complete a Prescription Authorization form signed by you and your healthcare provider. Email it to jsmith@prairieschool.com or fax it to 262-752-2661.
- 2) Medications will be delivered to the Health Office by 8/14/23. If there are tablets, deliver only the number of doses needed for the trip in the prescription bottle with your student's name on it. Place the bottle in a clear plastic bag labeled with your child's NAME & GRADE.
- 3) The camp nurse will administer all prescription medications for freshman and sophomores. Juniors and seniors on trail, will have their medication administered by their trail guide.
- 4) Ensure that you have listed your student's prescription medication on their PowerSchool Health page.

If your student takes over-the-counter medication (acquired without a prescription):

- 1) List your child's medication on their PowerSchool Health page with complete instructions (time of day, dose, etc.) No Prescription Authorization form needed for OTC medication.
- 2) By 8/14/23, deliver only the number of doses needed for the trip in the original packaging that includes the dose, name of medication, and expiration date. Place that in a clear plastic bag labeled with your child's NAME & GRADE.
- 3) The camp nurse will administer medications to freshmen and sophomores. For juniors and seniors on trail, the camp trail guide assigned to your student will administer their medication.

If your student has emergency medication (inhalers or Epipen/Auvi Q):

- 1) By 8/14/23, deliver your student's prescription and an Emergency Action Plan or Asthma Action Plan. If you do not have an Emergency Action or Asthma Plan, the camp nurse or trail guide will follow a standard plan.
- 2) Your student may carry their own medication. However, you need to deliver a duplicate to the health office for the camp nurse or trail guide. The duplicate medication should be in the prescription box. Place the box in a clear plastic bag labeled with your student's NAME and GRADE.
- 3) If you cannot provide a duplicate, your student must check in with the school nurse or other supervising adult before boarding the bus, to ensure your student is carrying their medication.
- 4) Ensure that you have listed your student's emergency mediation on the PowerSchool Health page.

For help with PowerSchool password or access to the Health page, contact Kim Forsman (262) 752-2551.

Deliver medications to the health office. Questions? Call Julianne (262) 752-2660.
