

## **2023/2024 Food Service Program**

The Prairie School offers an optional lunch program for our students, providing a well-balanced meal at a reasonable cost.

Students may select from the two daily hot lunch choices or a deli bar and be billed per day. Lunch includes condiments, side item(s) (such as fruit, veggies, pasta salad, or chips), and juice or milk.

Early School and Kindergarten students will have their lunches delivered to the Leipold Johnson Early Childhood Center. Students in grades 1-12 will have lunch in the Dining Room.
