

The Prairie Fund Effect: Athletics

Fall is here, bringing a wave of excitement for Prairie Athletics. With almost 70% of Middle and Upper School students diving into various sports, the campus is buzzing with energy and team spirit.

As our student-athletes strive for victory in their sport of choice, they also learn the value of teamwork, sportsmanship, and passion. Behind them are dedicated coaches who prioritize academics, character, and hard work. The roaring cheers from the Johnson Athletic Center and the Ruud Family Soccer Complex create an atmosphere that resonates with true community spirit. Through the [Prairie Fund](#), we ensure our athletes have all the resources they need to shine on game day.

See how your contribution to the Prairie Fund benefits athletics by following [TPS Hawks](#) on Instagram.
