

## The Prairie Fund Effect: Grit 'N Wit

Working together to solve a puzzle, helping a teammate over a climbing wall, never leaving anyone behind – this is what [Grit 'N Wit](#) teaches communities across the nation. This organization made a return to TPS for its second year, and our Middle School students fiercely embraced every obstacle in their path.

Your support through the Prairie Fund is the key to making activities like Grit 'N Wit possible. Your contributions are not just financial – they are the foundation of a hands-on curriculum, empowering our teachers to develop innovative and creative ways to engage their students. Visit the [Prairie Fund online](#) to learn more about how you can continue to make a difference.
